I agree the terms details below and will contact Sunnyside in advance if my plans change:

Signed: .....

### Terms & Information

- Any birds we consider a risk to our own or other boarders will not be accepted.
- We ask that your birds are thoroughly clean from all parasites or signs of disease. Please treat your birds with mite powder and give a wormer if we are not worming for you a few days before you drop them off.
- Please ensure there are no signs of respiratory problems, runny noses, lice, mites, or scaly leg.
- If we find issues that could be potentially contagious whilst the birds are with us we reserve the right to treat as we consider appropriate and charge accordingly.
- Birds are to be dropped off and collected during our normal opening times. We cannot usually look after pet carriers / transport crates or boxes whilst your birds stay. Please do not bring soiled pet carriers onto our premises.
- We can only offer this service for poultry purchased from us due to our rules on disease control. By prior arrangement we will look after birds purchased or acquired elsewhere, provided they have been with you for a minimum of 4 weeks.
- We will not accept liability for loss outside of our reasonable control.
- Your flock will be housed in their own pen, next-door to other birds.
- If a bird or animal in our care becomes sick or is injured we reserve the right to treat it as we consider appropriate. If we need medical assistance from our veterinary the cost of this must be borne by the person booking. In case of sickness or injury we will of course do our best to contact you prior to any treatment, but if we are unable to do so the welfare of the bird or animal has to take priority. If an animal dies whilst in our care we will only charge boarding up to the date of death.
- Please note that our insurance does not cover losses due to illness or injury, and will only cover proven purchase price in the unlikely event of theft. For this reason we strongly recommend you take out your own insurance.

### Prices

- Hens - We charge just £1.25\* per bird per night for hens, including feed (Heygate Layers Pellets), water with added Apple Cider Vinegar and clean bedding. We have a minimum charge of £2 per night per pen and a minimum overall stay charge of £15 per pen. This is to cover our bedding, time and feed costs.
- \*This is our first price increase since 2005 and will be applicable from June 2018 to give our customers fair notice. Until then our old price of £1 per bird per night will be applicable.
- For just an extra £2 per bird we can worm your hens.
- If animals need medical attention or or parasite treatment we reserve the right to made a reasonable additional charge to cover our time.
- Ducks can be accommodated at £2 per bird per night.
- Rabbits can be accommodated at £2 night and Guinea Pigs at £1 per animal per night. Please ensure your animals are in good health, parasite free and up to date with any vaccinations. Please also bring along their normal food (if different to Heygate Rabbit's Choice). Please note that our experience and knowledge of rabbits and guinea pigs extends to that of an average pet keeper.
- All cost must be paid in full on collection of your animals.

The details asked for are purely for the purposes of boarding your animals. We will not contact you or use this information for any purpose other than the booking on the date specified. We will not pass this information to any third party.
